a. The Hirer acknowledges that in all circumstances the Company retains title to the Plant and Equipment (even if the Hirer enters liquidation, administration, receivership or becomes bankrupt during the hire period and in no circumstances will it be deemed to be a fixture). The rights of the Hirer to use the Plant and Equipment are as bailee only.

b. The Hirer is not entitled to offer, sell, assign, sub-let, mortgage, pledge or otherwise deal with the Plant and Equipment in any way which is inconsistent with the rights of the Company as owner of the Plant and Equipment at all times.

5. PERSONAL PROPERTY SECURITIES ACT

- The Hirer acknowledges and agrees that to the extent the Hire Contract (governed by these Terms and Conditions of Hire) creates a PPS lease, as defined in the PPS Act, the Company has a security interest in the Plant and Equipment for the purposes of the PPS Act and to the extent applicable the PPS Act applies.
- The Hirer acknowledges that the Company may take all reasonable steps, including but limited to registering any security interest which the Company has over the Plant and Equipment on the Personal Properties Security Register established under section 147 of the PPS Act in order to perfect the security interest and comply with the requirements of the PPS Act. You agree without charge to provide all information and do all things reasonable to assist the Company in complying with the matters outlined in this Section 5 of the Terms and Conditions of Hire. You waive pursuant to s.157(3)(b) of the PPS Act the right to receive notice of a verification statement in relation to any registration on the Register.
- The Hirer and the Company agree that the security interest the Company has over the Plant and Equipment is a PPS lease, as defined in the PPS Act, which does not secure payment or performance of an obligation, and accordingly that chapter 4 of the PPS Act does not apply.

6. TERMS OF PAYMENT

a. Hire is charged for the time the Plant and Equipment is out of possession of the Company at the Hirer's request (inclusive of weekends and public holidays), not only the time in which the Plant and Equipment is used. This clause is varied only when the Plant and Equipment is supplied on a Wet Hire basis (With Operator) and will be charged at an hourly or contracted rate for the periods of operation.

b. Payment in full for all hiring charges and any other amounts payable in accordance with these Terms and Conditions is required 30 days from the date of invoice. No claims for credit will be recognised after 14 days from the date of the invoice.

- The Company may charge interest on all amounts not paid by the Hirer by the due date at the rate of 2% per month or part thereof, compounding monthly. In addition, without limiting the above, the Hirer will be liable to indemnify the Company for all expenses incurred by the Company in recovering any amounts which the Hirer fails to pay by the payment due date (including any commission payable to any commercial or mercantile agent and legal costs).

7. HIRE PERIODS

- The Hourly Hire Rate will apply to Wet Hire Plant only, and will incur loadings for weekend, public holiday and night work.
- The Half Day Rate is based upon the Plant and Equipment being hired for a maximum of 4 Hours, if used in excess of 4 Hours the Daily Hire Rate shall apply.
- The Daily Hire Rate is based upon the Plant and Equipment being hired for a maximum of 8 Hours in any one day.
- The Weekly Hire Rate is based upon the Plant and Equipment being hired for a maximum of 5 days unless specified or varied in writing.

8. LATE RETURN

a. In respect to Dry Hire (Without Operator), hiring commences from the time the Plant and Equipment is collected by the Hirer from the Company's premises. In the event that the Hirer requires the Plant and Equipment to be delivered, where no authorised person is available to sign for the received Plant and Equipment, the person requesting the Plant and Equipment by phone agrees to the Company's General Terms and Conditions of Hire which will be faxed or emailed to the Hirer. In the event that the Hirer fails to return the Plant and Equipment by the close of business on the day that the Hire was due to conclude, the Hirer will be charged an additional one half day's hire if the Plant and Equipment is returned before 12:00 noon on the following day, or an additional full day's hire if the Plant and Equipment is returned after 12:00 noon but before the close of business on the following day. Further hire charges will likewise apply for each additional day that the Hirer fails to return the Plant and Equipment.

b. Should the Company agree with the Hirer to deliver and collect the Plant and Equipment, hire charges commence from the time the Plant and Equipment leaves the Company's premises until the Company is notified by the Hirer that the Plant and Equipment is available for collection, at which time the Company will provide an "OFF HIRE" number as verification that such notification has been received. The notification must be given by the Hirer in time for the Plant and Equipment to be picked up and returned to the Company's premises within normal business hours on the day of cessation of hire. In the event of insufficient notice being provided to the Company, the Hirer will be responsible for the safekeeping of the Plant and Equipment until collected the following day, the Hirer may be charged an extra half day hire at and within the Company's discretion.

9. BREAKDOWN

a. If the Hirer notifies the Company immediately of any breakdown, hire will not be charged during the time in which the Plant and Equipment is not in working order, unless such condition is due to negligence or misuse on the part of or attributable to the Hirer. Such notification does not absolve the Hirer from its requirement to safeguard the Plant and Equipment and in the event of a breakdown the Hirer must not repair or attempt to repair the Plant and Equipment without the prior consent of the Company. If the Plant and Equipment breaks down or becomes unsafe, the Hirer must immediately stop using the Plant and Equipment and must take all reasonable steps to prevent injury to any persons or damage to property as a result of the condition of the Plant and Equipment. The Company will not be liable for any expenditure, damages, loss or inconvenience incurred by the Hirer arising out of any breakdown in the Plant and Equipment whether caused by fair wear and tear, lack of repair or negligence on the part of the Company or any other reason whatsoever. If any Plant and Equipment breaks down or is damaged due to the Hirer's negligence or misuse the Company will continue to charge hire charges until the Plant or Equipment has been repaired or replaced.

10. HIRER'S OBLIGATIONS

- The Hirer must:
 - Prior to the use of the Plant and Equipment determine the condition and suitability of the Plant and Equipment hired for the purpose required.
